Welcome to the Praterloft!

Have an unforgettable experience in our two newly renovated flats located right next to the famous Prater amusement park in Vienna. We are Susanne and Patrick, two budding architects. We converted the former night club „Club 33“ into two charming ground-level flats with beautiful old-world flair. Located right next to the subway and between the new University of Economics and Business, the Convention Center and the famous Ferris Wheel, this is the perfect place to stay for your Vienna adventure. No matter if you are travelling for fun or business, here you'll feel at home away from home.

We are looking forward to your stay with us!
